Message from Our Chair

At EMD UK we pride ourselves on our commitment to equality, diversity and inclusion for our customers, our staff, and our stakeholders. For us, our approach is much more than compliance with the law; it is at the heart of our culture and values as a company.

We believe in the positive benefits of equality, diversity, and inclusion, not just for society but as a foundation to enhance the service and performance of our organisation. Our vision to strengthen communities through the power of group exercise, aligns with this ideal. We believe group exercise breaks down barriers, fosters positive behaviours and offers an accessible activity that contributes to the health and lives of the nation.

Our goal is that equality, diversity, and inclusion is embedded in our attitude and our daily way of working. We want everyone who connects with EMD UK to feel respected and valued. We make every effort, every day to be non-discriminatory, open minded and inclusive. We also recognise that our thoughts and deeds can always improve. This action plan is a clear statement of intent to continuously do better and to lead our sector in positive change.

Our Board has approved this action plan that underpins our policy. It is an illustration of our commitment to live by our values and beliefs. Our mission strives to help group exercise instructors to be the best they can be and deliver at the highest level. Likewise, we aim for our workforce and our organisation to be inclusive and supportive, where everyone enjoys the opportunity to be the best version of themselves.
